

Leo Spotlight on Children Recognition Application

Spotlight on Children is the international service project of the Leo Club Program. These projects aid children in adverse circumstances and restore dignity with the promise of a brighter tomorrow. Leo clubs that plan and implement Spotlight on Children projects are eligible to receive a banner patch and Leos who support the project may receive an individual certificate of recognition. **Please note, this recognition is limited to once per fiscal year and this project cannot be submitted for the Serving Together Application. Awards are sent to the Leo club advisor.**

Please provide additional information about your Leo Spotlight on Children service project. Remember to share photographs and details of this service activity on MyLCI.

Feathers for the Dream - Leo club of University of Moratuwa conduct 10 Mathematics seminars on different

areas of the country targeting The exam held on beginning of December – 2017. Most of the programs were

held in schools located in very rural areas, and for students who don't get essential facilities for their primary

education. The seminar series was started on month of July and it was continued till mid of November. As it

was a series of programs every member of the club got the opportunity to participate at least for one session.
